Ellises Keep Hildy

Gov. Collins Rules Massachusetts Bid Out

TALLAHASSEE, Fla. (UPI) — Gov. Leroy Collins Thursday called Massachusetts kidnapping charges against Mr. and Mrs. Melvin B. Ellis "synthetic" and refused to extradite the foster parents of Hildy McCay Ellis.

The real issue is simply whether the custody of Hildy should continue with the Ellises or be placed under institutional control, Gov. Collins said.

He put the love of the Jewish couple for their 6-year-old foster daughter — who was born of an unwed Catholic mother — ahead of legal and religious obstacles.

"It is clear to me that the criminal proceedings against Mr. and Mrs. Ellis are synthetic," Collins said. "No crime of kidnapping in a proper sense is involved."

Decision Applauded

A crowded hearing room greeted the governor's decision with applause.

There is no appeal from the governor's decision and he said, "No useful purpose can be served by the filing of additional briefs" by Massachusetts authorities.

Ellis, 45, and his wife, Frances, 38, smiled through their tears as they sat holding hands while Gov. Collins read his statement.

Many persons in the room cried and even one of the Ellis attorneys wiped his eyes with his handkerchief.

The blonde, blue-eyed girl who was the center of the controversy wasn't here. She was at home in Miami Beach, where she will graduate from the first grade Friday.

Fled In 1955

It was because of a Massachusetts law keeping adoptions within religious faith where possible that brought the Ellises before Collins as fugitives.

They fled Massachusetts in 1955 when courts there ruled Hildy, whom they took as their own when she was 10 days old, should be put in a Catholic foundling home for adoption within the Catholic faith.

The child's natural mother, Marjorie McCoy Doherty, is a Catholic. After she learned Hildy went to a Jewish couple she tried to revoke her consent to the adoption.

Collins said while he respects the rights of a natural mother to have the child reared in her faith, "it must yield to more fundamental rights."

"The great and good God of all of us, regardless of faith, grants to every child to be born first the right to be wanted and secondly the right to be loved. Hildy's mother denied both of those rights to her."

First Right

"It was the Ellises in truth and in fact who have been the persons through whom God has assured to Hildy these first two rights as one of his children."

FCC Will Rule On Toll TV

WASHINGTON (INS) — The Federal Communications Commission decided Thursday that it has the authority to permit toll television if the pay-as-you-go system is in the public interest.

The FCC asked television net-

works and other interested persons to submit information by July 8 to determine whether a trial demon-

stration of commercial toll TV

should be undertaken.

Subscription TV involves furnish-

ing programs to those who will

pay for them. This is accomplished by "scrambling" the picture so

that it will be unavailable to the

general TV viewing public but "un-

scrambled" by a special adaptor in the home of the subscriber.

Four Injured, 1 Seriously, In Car Crash

Four Lincolners were injured, one seriously, late Thursday night in a two-car accident at the intersection of 56th and J.

Harvey O. Shonerd, 52, of 3030 Apple, was reported in fair condition early Friday morning after suffering a brain concussion, possible back injuries, broken right knee and head lacerations when the car which he was driving collided with a car driven by Thomas Allison, 21, of LAFB, police said.

Also injured were Shonerd's daughter, Pat O., 21, who suffered wrist and knee abrasions; his son, Bill, 18, who suffered a slight head abrasion, and Lyle Hibbs, 20, of LAFB, passenger in the Allison vehicle, who suffered bruises on his right hip.

Pat and Bill Shonerd were released from a local hospital following treatment. Hibbs was listed in good condition.

Motorcycle Officer Ken Tenopir said Allison's vehicle was trav-

eling east on J, and Shonerd's north on 56th when the collision occurred. Allison's vehicle was smashed against a nearby fire hydrant and road sign by the force of the impact.

Shonerd said while he respects

the rights of a natural mother to have the child reared in her faith, "it must yield to more fundamental rights."

"The great and good God of all of us, regardless of faith, grants to every child to be born first the right to be wanted and secondly the right to be loved. Hildy's mother denied both of those rights to her."

A "Stay-Slim" Dessert

Save money and enjoy low-calorie Honey Frozen Dessert (qt.) or Magic Freeze (1/2-gal.). At your favorite store. Beatrice Foods Co.—Adv.

ton said, and there is a tendency to collect "by-gones."

"Historians have ignored the methods of the anthropologists too long," he said.

Newton explained that museums appeal to the cultured leisure class in Britain whereas in the U.S. everything must be explained for the benefit of sight-seers.

Other afternoon speakers were

Louis C. Jones, director of the

New York State Historical Associa-

tion, "A Critical Look at Present Standards;" Stanley D. Sohl, di-

rector of the Kansas State Histori-

c Society, and the History Mu-

seum;" William Aeschbacher, di-

rector of the Nebraska State His-

torical Society, and Dick Her-

man, president of the Cheyenne

County Historical Association,

"Co-operation in Improving Stan-

dards."

The group was cautioned "not

to sell the public short" in the edu-

cational phase of displaying speci-

mens.

Dr. C. Bertrand Schultz, direc-

tor of the University of Nebraska,

told the museum association that

"many people visit the museums

with the idea of learning something.

And it is surprising how much

they know."

Speaking at the morning session

of the Science Museums section on

Fossil Hunting Today and Yester-

day," Dr. Schultz stressed the im-

portance of gathering proper data

with each new fossil find.

Data Said Needed

A specimen poorly collected

with complete data, such as geo-

logical levels and location, is in

reality worth more to science and

to the museum than one perfectly

collected but with incomplete da-

ta."

"In fact," he said, "specimens

without data are curiosities use-

less to science."

Other speakers were: W. Drew

Chick Jr., of Washington, D.C.,

chief park naturalist of National

Capital Parks, "Exploring Out-

doors in the Nation's Capital;" and Henry A. Wyde of Los An-

geles, Calif., division of exhibitions

"Fields Trips in Relation to Exhi-

bitions."

The convention will conclude Fri-

day evening with a buffalo barbe-

cue.

State Is Getting More Twisters Than Ever Before

The state of Nebraska has had

more tornadoes since the first of

the year than during the same

period in any years since the

Weather Bureau started keeping

records in 1916.

The average number of tornadoes

in Nebraska per year is 7½, com-

pared with this year's total of 11

through April and many more in

May.

During 1956 Nebraska had had

eight tornadoes through the month

of May.

Chief 'Approached'; Would Hike Salary

Lincoln Police Chief Joseph T.

Carroll has been approached infor-

mally to take over as chief of the

Omaha Police Department at a

substantial increase in salary.

It was understood that a prominent

Omaha group made the contact

with the Lincoln chief.

Omaha Mayor John Rosenblatt

commented that "we have heard of

Carroll's consideration in our office

and we think him a very capable

man."

"I have not received any official

word on the matter as yet," the

Omaha mayor said, explaining that

the appointment is made, under

new charter terms, by the com-

munity of public safety.

'No Comment'

Lynn Carey, who will take office

as Omaha commissioner of public

safety Monday, said he had "no

comment" because I have no offi-

cial status until the charter goes

into effect Monday."

Heine Acting Chief

If he took the job, Carroll would

replace acting Chief Carl F. Heine

who was put in the top depart-

ment spot in a general shakeup.

Acting Chief Heine replaced Chief

Harry Green who was dropped

into the detective bureau of the

Omaha department.

It was understood the salary

question in the informal offer to

Carroll was left open, but would

be substantially greater than the

\$7,200 Carroll is now receiving.

Chief Carroll said the job was

not officially offered nor has an

application been made for the

Adenauer Scheduled To Land In U.S. Today For Talks With Ike

BONN, Germany (UPI) — Chancellor Konrad Adenauer flew off in a rain storm Thursday night for his fifth visit to the United States. The 81-year-old West German leader left Wahn Airport in a private plane at 10:21 p.m. He is due in New York at 9 a.m. (New York time) Friday.

Adenauer's Christian Democratic Union (CDU) hailed the visit as of major international significance in cementing West German-American solidarity on such criti-

cal issues as German reunification and world disarmament.

The opposition Socialists claimed the visit is propaganda to affect the September general elections.

Party of 30

Adenauer was accompanied by a party of 30, including his youngest daughter, Mrs. Libeth Werhahn, and his youngest son, George. Foreign Minister Heinrich von Brentano leaves for the United States Friday.

The Chancellor was asked what

he hoped to achieve by his talks with President Eisenhower.

He replied with a grin: "I hope to achieve an enrichment of my agricultural knowledge." This was a reference to his scheduled visit at Eisenhower's farm.

Adenauer said he did not want to discuss political questions until he had conferred with Eisenhower.

Before the plane left, every item of baggage was examined meticulously, something that had never happened before on an Adenauer flight.

Parcel Bomb

An official explained that one reason for the extra precautions was that a parcel bomb was sent to a French official in Strasbourg last week. His wife opened the parcel and was killed in a bomb explosion.

Rumors then flew that Adenauer also had been threatened, but the West German government denied this rumor.

The Chancellor is to spend a few days in the New York area, attending diplomatic affairs and visiting with an old friend, Danny Heinemann of Greenwich, Conn., whom Adenauer met 70 years ago at a school in Cologne.

Afterwards, Adenauer is to visit

MIDWEST'S

Favorite

Eisenhower at his farm at Gettysburg, Pa., and then go to Washington Monday for further talks with Eisenhower and Secretary of State Dulles.

His address before a joint session of Congress will mark the first time a German chief of government ever has addressed Congress. Adenauer will return to New York to fly back to Germany May 29.

Disarmament

WASHINGTON (INS) — Close advisers of President Eisenhower said the chief executive will consult West German Chancellor Konrad Adenauer and — if he is able

— to arrange his U.S. visit — French President Rene Coty on disarmament issues.

Mr. Eisenhower was portrayed

as hoping that an effective disar-

ment agreement with the Soviet

Union can be reached as what

would be, in his view, the crowning

achievement of his second and

final term in the White House.

The President hinted at this

when he told his news conference

Wednesday that something "just

had to be done" to end the nuclear

arms race and that the U.S. must

avoid being "recalcitrant" or "pic-

anish" in its dealings with Rus-

sia toward that goal.

Proposed Sewer Fee Won't Boost Cost Much—Martin

Mayor Bennett Martin has expressed the view that the city's proposed sewer use fee is not likely to result in any substantial increase in present costs to taxpayers for sewer service.

His statement was predicated on two points:

1. Assurance that the city would eliminate the .31 mill levy it now makes for sewers if the use fee is placed into effect.

2. If the Sanitary District eliminates the 1 mill levy it now makes for its sewer operations when the use fee goes in.

District officials have indicated the 1 mill would be dropped as its sewage treatment plant and sewer responsibilities would be taken over by the city under plans which include the use fee.

Flood Control Use

The second 1 mill now being collected by the District for flood control purposes would be continued.

Naturally, Martin said, the use fee will represent more income than the .31 mill city levy and 1 mill District levy combined. But this should be expected, he said, as the fee will also finance a \$3

Keen Time Klub Dance Friday Honors Seniors

The Keen Time Klub will hold a dance Friday, May 24, at the Antelope Pavilion from 8 p.m. to 11 p.m. in honor of all Lincoln high school seniors.

Dave Haun's Combo will play. Music is provided by a grant from the trust funds of the Recording Industries obtained by the co-operation of the Local Musicians.

All teenagers from 10th grade up who are Klub members are invited.

South African Rock Lobster Tails

SEAFOOD AT ITS FINEST

South African Rock Lobster Tails

Quick-frozen from the ice-cold sea, broiled or boiled, they're a feast of snow-white meat, so delicately flavored, so firm and fork-cutting tender you'll want to enjoy them often. In the labeled, cellophane-sealed carton get South Africa's young, spring-chicken-tender rock lobster tails. Wherever frozen foods are sold. Always look for the South African label.

FREE RECIPE BOOKLETS are yours for the asking. Write to South African Rock Lobster Assn., 271 Madison Avenue, New York 16, N. Y.

The Hills family invites your family to enjoy

the first instant coffee that smells like coffee!

If you like the convenience and economy of instant coffee...but miss the fragrance and flavor of fresh-brewed coffee...we hope you'll try our new Instant Hills Bros. Coffee.

Coffee is our *only* business. We've been blending and roasting fine coffees for three generations—since 1878. And in city after city where it's sold, more people enjoy Hills Bros. Coffee than any other brand.

For the last twenty years, we've been working and testing to create an instant coffee that would equal the best cup of coffee you ever enjoyed. We refused to introduce it until it was right and ready. Now we believe we've got it—and we think you'll agree when you taste and smell Instant Hills Bros. Coffee.

Why did we take twenty years?

That's a long time to wait when other good instants are on the market. But we had two tough problems to lick:

First, we had to find a way to keep the elusive flavor "esters"—the delicate flavor tones that are usually lost in manufacture. We did that by our own special production process, different from anything else in the coffee industry.

Second, we had to preserve aroma and flavor better than anybody had ever done it before. We succeeded by packing our coffee in a flavor-protecting vapor which is locked inside the jar by an inner-seal of aluminum foil that keeps taste *in*, keeps air *out*—Hills Bros. original TASTE-LOK®.

Smell—and taste—the difference!

Your first cup of Instant Hills Bros. Coffee will be pleasant and positive proof that our twenty years of work weren't wasted. You'll find aroma and taste combined in the cup to give you all the full-bodied, lingering flavor you've always associated with fine coffee.

In spite of its rich aroma, flavor and freshness, Hills Bros. costs no more than other good instants. You can make it in cup or pot. There's no work, no waste, and you get a wonderful cup of coffee every time.

Instant Hills Bros. Coffee is on your grocer's shelves right now—in 2-ounce and 6-ounce jars. Our family is proud of it. If good coffee is important to your family, we hope you'll try our product and share our pleasure. Today's a good day to start.

Every jar of Instant Hills Bros. Coffee has an aluminum inner-seal that keeps taste *in*, keeps air *out*...Hills Bros. original TASTE-LOK®. Look for it when you shop—and be sure of fresh, fragrant, flavorful coffee—*No Work...No Waste...Good Taste**.

Recreation Area Fee Bill Survives

The Legislature Thursday refused to kill LB 472, calling for a one dollar entrance sticker for a vehicle that uses state recreation areas.

Sen. Stanley Portsche's motion to kill it was defeated 15-21 and the bill advanced from select file on a 20-12 vote.

Contending that he is "against

RESOLUTION OPPOSES FEDERAL AID

... For School Building

Sen. John E. Beaver of Beemer Thursday introduced into the unicameral a resolution asking Congress to refrain from enacting a program of federal grants for school construction, which he said should continue to be a responsibility of the states and of the school districts.

Federal grants for the purpose would be "objectionable," Resolution No. 31 says, because they would eventually mean federal control and supervision; no state has demonstrated or claimed its inability to meet its responsibility, and federal aid does not lessen the cost of construction but adds a further cost of administration.

Two other new resolutions introduced into the Legislature call for interim studies by Legislative Council committees.

Boycott Ban

Sen. Ray Simmons of Fremont, who Wednesday pushed through a resolution asking Congress to ban secondary boycotts, introduced a follow-up resolution asking an interim study of the subject, with particular reference to the Teamsters Union.

Senators August Wagner of Columbus and Peter Claussen of Leigh, in Resolution No. 30, asked a Council study of truck registration laws.

That resolution says "circumvention of the spirit and intent of existing laws and regulations in the field of motor transportation, by means of subterfuge, appears to be increasing."

Six Bills Pass

The Legislature Thursday passed six bills on final reading ("E"—emergency clause).

LB 145 (Burbach, Williams)—Restating section of Dept. of Water Resources over water rights. (38-0).

LB 539 (Burbach, Carpenter) — Permitting creation of weather control districts. (20-12).

LB 405 (McGinley) — Increasing from \$6,500 to \$8,000 the salaries of Board of Control members (E). (28-10).

LB 180 (Frye, Moulton) — Increasing salary of clerk of Legislature from \$7,500 to \$8,000; of first assistant clerk from \$600 to \$850; of members of legislative committee from \$7,500 to \$8,500 (27-10).

LB 398 (McGinley, Portsche, Moulton) — Increasing salary of judges of Nebraska Workers' Compensation Court from \$6,000 to \$7,200 (29-9).

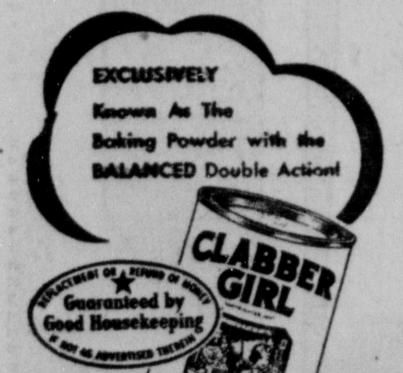

LB 570 (Bixler, Mummelly) — Increasing salaries of members of Liquor Commission from \$6,500 per year to \$6,500 per year (E). (32-6).

Food Experts To Meet

The Ak-Sar-Ben Section of the Institute of Food Technologists will meet Tuesday at 6:30 p.m. in Omaha, Dr. R. E. Feeney, chairman of the department of biochemistry and nutrition at the University of Nebraska, announced.

Whether your aim is the blue ribbon of the expert or the dinner-time smiles of the family, you can depend upon Clabber Girl's exclusive balanced double action for uniformly perfect results.

CLABBER GIRL BAKING POWDER

'RESERVE TEACHER' MEASURE ADVANCES TO GENERAL FILE

The Education Committee of the Legislature Thursday voted 4-3 to advance to general file LB 609, which creates the position of reserve teacher and is aimed at providing financial assistance to teachers who have at least 25 years of service but who retired too many years ago to be eligible for benefits under the state teachers' retirement system.

The committee reduced from \$500,000 to \$300,000 the general

fund appropriation for the biennium to pay reserve teachers a \$360 salary each year.

Some Wheat Farmers Leaving Soil Bank

Spring Rains Bring Action

WASHINGTON (AP) — The Agriculture Department is getting reports that some wheat farmers are planning to pull out of the soil bank program this year and pay for the privilege of doing so.

These farmers signed agreements to retire a part of their wheat allotment under the soil bank in return for a future pay-

Nebraska News

ment from the department. They went ahead, however, and planted wheat on other land on the chance that it would look good at harvest time.

Most of these producers are in Great Plains areas which were plagued by drought last year, but which have been revived by rains this spring.

Financial Gain

These farmers calculate that, because of the favorable turn in the weather and resulting bright wheat prospects, they would be better off financially to renege on their soil bank contracts and pay a penalty. The soil bank law sets the penalty at loss of payments plus an assessment equal to half the soil bank payment.

In some areas where the penalty would run \$10 to \$12 an acre, producers figure they can harvest 20 to 30 bushels of wheat to the acre. Wheat is expected to average around \$2 a bushel.

Thus after paying a soil bank penalty of \$12 an acre, a producer with a 25-bushel-a-acre yield would be \$14 an acre better off by going ahead and harvesting the grain and paying the penalty than if he destroyed the crop and got a payment of \$24 an acre. His wheat would bring him around \$50, or a net of \$38 after paying the penalty. This is \$14 more than he would have gotten from the soil bank.

The law permits producers to make this choice.

Man Hangs Self While Fishermen Watch Unaware

NORTH PLATTE, Neb. (AP) — A McCook, Neb., man hanged himself in a tree while fisherman watched from a distance unaware of what was taking place. Lincoln County Coroner James McIntosh said Thursday.

He identified the man as Wayne A. Yost, 28, a World War II Veteran who had been hospitalized frequently.

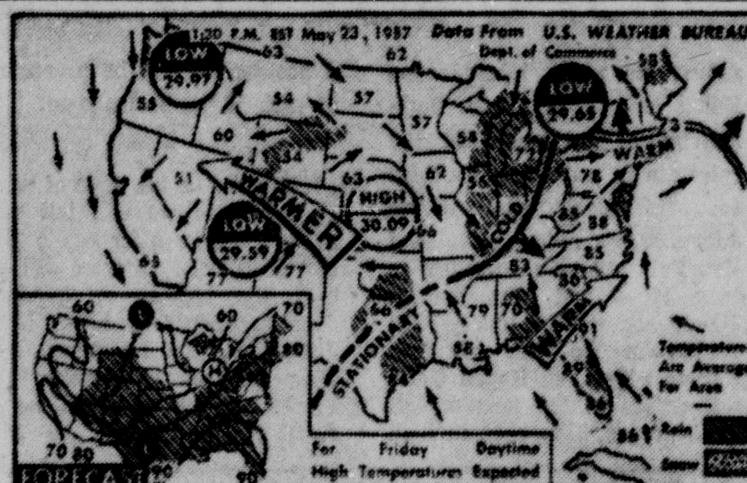

Yost was fishing at Sutherland reservoir inlet and a group of fishermen said they saw him climb into a tree. When he did not climb down, Francis Orton of Wallace walked around to the spot and found him hanging from the tree by a length of twisted cord. McIntosh, who with Sheriff George Howard, investigated, ruled the death suicide by hanging.

Yost was unmarried.

Courthouse Site Purchased From Chief Opponent

HYANNIS, Neb. (AP) — Grant County commissioners have bought a site for the new \$190,000 courthouse—from the man who filed an injunction suit to prevent them from building it.

The commissioners said they had purchased some lots from Charles L. Bond, but they are "not releasing" the amount paid. Bond sought unsuccessfully several months ago to get an injunction against the new court house, holding that it was not needed.

Lower Half Of Nation Expects More Rain

Showers and thunderstorms are forecast Friday for the lower half of the nation except the Southwest. Scattered showers are slated for New England and up-

per Michigan. Warm weather will continue along the East Coast. Most of the country can look towards cloudy skies. Mild weather will prevail elsewhere. (AP Wirephoto Map)

Paddling Bachelors Reach GI On Their Canoe Trip To Maine

GRAND ISLAND, Neb. (AP) — Four young bachelors paddling their canoes along the historic Platte River, reached Grand Island at noon Thursday and pulled ashore for lunch on the river bank.

The four set out from Denver May 1 planning to paddle their canoes all the way to Old Town, Maine. Beset by sandbars, cattle fences and inclement weather, the four were delayed in the first stages of their trip along the South Platte, but have been moving faster since entering the level of the Platte considerably this spring.

Grand Island was a stop off for river travelers during the westward movement a century ago, but today's travelers were

traveling in the south channel of the Platte, some distance below the historic island from which the city takes its name.

The travelers are Ed Vestal, 29, and Bengt Soderstrom, 32, both ski instructors at Aspen, Colo., Jerry Hewey, 27, Cape Elizabeth, Maine, and E. G. Rickers, 29, formerly of Berkeley, Calif.

The four men have covered approximately 30 miles per day. Although they are six days off schedule, they hope to make it up when they reach the Missouri River.

Their beards made them eligible for membership in the Grand Island Brothers of the Brush Club, formed to help celebrate the town's centennial.

a family size can of
Bean Hole Beans when you
buy one at regular price

...to get you to
try Bean Hole Beans—the one and
only to capture that true
Northwoods flavor.

HERE'S THE ORIGINAL LUMBERJACK RECIPE:

Place a large iron pot in a hole in the ground.

Fill with a layer of beans, then a layer of pork—another layer of beans—another layer of pork—Add molasses and brown sugar.

Seal pot tightly. Burn wood over pot. Pine coals closely around. Bake for 12 hours.

Eat for breakfast, dinner or supper.

LOOK FOR THE CAN WITH THE GREEN TREES
ON IT FOR THE GENUINE PRODUCT!

Here's your chance to try Bean Hole Beans. This coupon is good at your grocer's for a large can of Bean Hole Beans FREE with the purchase of one can at the regular price.

Let your family get their teeth into these beans, with the real molasses-and-woodsmoke outdoor taste of "cooked-in-the-ground" beans. There are no other beans in the world like them. Just look for the can with the green trees on it for genuine BEAN HOLE BEANS. Distributed by men who know beans best—STOKELY-VAN CAMP, makers of Van Camp's famous Pork and Beans.

MEET Our GUEST

Dogs and People— They're Alike

By GEORGE W. HOLMES

If you've never whistled your way along a country road with a dog at your heels — if you never have roamed the snow-covered fields in the winter with a dog alerted for big game — a rabbit, maybe; if the first pink flush of a spring morning hasn't found you and your dog exploring the thickets or sitting on a creek bank waiting for the fish to bite—if you have done none of those things you never have been a boy—with a dog.

A boy and his dog—a man and his dog—they aren't so different. A boy romps through his care-free world with his canine playmate. A man lives in his world of responsibility — sometimes worry and anxiety with his canine companion at his side.

Dogs are much like people. There are those that are too effervescent — not the type for an early morning walk when you are trying to organize your thoughts, or perhaps work out a problem. For such moments as those you want the quiet personality — the dog who runs along, eager, interested and happy, but one who keeps his exuberance to himself. My black retriever, Jack, is the ideal companion.

But dogs, as do people, also have complexes, and Jack had more than his share. His background was excellent, and Jack was one of a fair-sized family of puppies that I kept on a farm near the city. Jack was so shy he wouldn't eat with the rest of the puppies, and if anyone spoke to him he would run away and hide. I thought perhaps I could work with the puppy, train him so that eventually he would make a good hunting dog. For quite some time he wouldn't come even close to me, but finally, after many days of persuasion, he let me pet him. After that he was my constant companion when I visited the car.

It has been a good many years since my very earliest recollection of a dog—Gyp, a little black and tan that was the family pet—and Jack. They have been good years in many, many ways, and always there has been the faith, the loyalty and the affection of a dog.

We Hear That

Arriving in Lincoln Tuesday evening was Mrs. J. B. Edwards of Seattle, Wash., who will be the guest of Mrs. Bertha Johnston for several weeks. Mrs. Edwards, who formerly resided in Lincoln, is the mother of John Edwards, CBS newscaster in Washington, D.C., who is a graduate of the University of Nebraska and former editorial staff member of The Lincoln Star.

Party Honors Carole Tietjen

When Mrs. R. J. Cederdahl entertained at her home on Wednesday evening the party was in prepuplial courtesy to Miss Carole Tietjen whose marriage to George Lewis Stephens will take place in June. Ten guests were invited for the informal evening during which the bride-elect was presented with a shower.

In the picture, seated left to right, are Mrs. Helen Luschel, Miss Janet Grothe, Miss Tietjen (the honoree), Mrs. Rex Kel-

lough, Mrs. Marvin Hitz and Miss Joyce Johnston.

Standing, left to right are Mrs. Gen Cederdahl, Mrs. Elmer Cederdahl, Mrs. R. J. Cederdahl and Mrs. E. L. Stephens.

Will Entertain At Tea

Plans for a mother-daughter tea to be held Sunday, May 26, were discussed at the business meeting at Zeta Chapter, Beta Sigma Phi, on Tuesday evening. Mrs. Jack Cederdahl presided at the meeting, and a program on

"Modeling," was given by Miss Gladys Hablitzel. Mrs. Albert Journey spoke on "Architecture, Home Building and Planning."

Hostesses for the social hour were Mrs. William Hartley and Miss Jo Clark.

New Floor Care Ends Waxing

One of the difficult jobs of housekeeping is to wax linoleum and asphalt tile floors. Now, thanks to Glaxo, it's no longer necessary to wax and scrub; just apply Glaxo about twice a year. It maintains a high lustre, non slip coating that seals out dirt. Glaxo dries in one hour and is water clear. It's cheaper than wax in the long run, besides saving a terrible amount of work, plus truly a beautiful floor.

WEEK-END FUN

ALTHOUGH the week-end calendar is not what one might call bulging with activity it does have its very good points.

One of the bright spots is the 6 o'clock to 8 o'clock party this evening when Mr. and Mrs. Wardner Scott entertain at one of a series of such affairs at their home.

AND ALSO on the books for Friday evening is the dessert

THE STAR IN SUBURBIA

SOUTH HILLS

Let's see, guess we will begin the South Hills news with vacationers and guests since both are prevalent in the neighborhood.

On Saturday, Mrs. Joseph Schleckmann and her daughters, Jolene and Mary Ann will leave for a three-week vacation trip.

The Schleckmann trio will go first to Provo, Utah where they will visit Dr. and Mrs. Chase Allred and Dr. and Mrs. Kenneth L. Cannon and their families, all former residents of Lincoln. The vacationers will spend most of their time in Idaho, Utah and Washington.

Entertaining last week end were Mr. and Mrs. Richard McKenzie, who had relatives from Kansas as their guests. Included in the list of visitors were Mrs. McKenzie's parents, Mr. and Mrs. Lloyd Riffer of Centralia, Mr. and Mrs. Charles Jermone and Miss Blanche Riffer of Seneca, Kan.

A coffee host and hostess on Tuesday evening were Mr. and Mrs. Ted Thompson. On hand for the informal affair were Mr. and Mrs. Keith Christensen, Mr. and Mrs. William Baker and Mr. and Mrs. John Burt.

It is now time to extend farewells to residents in South Hills who soon will be leaving the neighborhood. Moving to Omaha early in June will be Mr. and Mrs. Robert Lienemann and their family. The Lienemanns now reside on Rancho Road.

And entertaining Mrs. Lienemann at a recent coffee and kitchen gadget shower was Mrs. Harry Hornby. Included in the guests to compliment Mrs. Lienemann were Mrs. Don Milner and Donny; Mrs. Ted Thompson and Doug; Mrs. Ted Parent and Debbie; Mrs. Don Sommers and Diana; Mrs. Keith Christensen and Johnney; Mrs. John Burt, Jay and Frederick; Mrs. Bill Baker and Leigh Ann; Mrs. Carl Peterson, Mrs. Bob Kissinger, Debbie and Stevie; Mrs. Loren Beckler, Jan and Randy, and Mrs. Ben Heard and Jimmy.

KESSLER HEIGHTS

Out in Kessler Heights there are numerous neighborhood groups—and one which will meet next Tuesday evening is the Holly Road bridge eightsome. Mrs. Jim Peerman will entertain

supper for which Miss Jeanne Elliott and Miss Linda Butzman will be hostesses when they entertain in prepuplial courtesy to brides-elect Miss JoAnn Junge, whose marriage to Sam Van Pelt will be solemnized on June 11 — and Miss Lucette Makepeace who will marry Fred Larkin in the late summer. Twelve guests, all Kappa Gamma sisters of the hostess and the honorees, have been invited.

A hostess gift will be presented to each of the brides-to-be.

WHILE we're on the topic of bridal courtesies we will tell you about the brunch for which Mr. and Mrs. Donald Pegler will be host and hostess on Sunday, June 2, when they honor Miss Jean Aitken and her fiance, Andrew Johnson of Newton, Ia. Places will be arranged for a small group of guests.

ON THE far side of the week end is Monday — and the day that Mrs. A. E. Aenichbacher, Mrs. Ralph Bond and Mrs. DeLos Richards will entertain at a 10:30 o'clock brunch at the Inter-Com Club when they pay farewell courtesy to Mrs. E. B. Thurlow who, with Col. Thurlow and their children, will be leaving Lincoln early in June. Brunch places will be arranged for 12.

ANOTHER Air Force hostess next week will be Mrs. Leslie Walrath who will entertain at a May Morning breakfast next Wednesday at the Officers Club. The guests are invited for 10 o'clock.

Attend PTA Convention

Members of the Nebraska Congress of Parents and Teachers were among the delegates and members participating in the national convention of PTA held at Cincinnati, O., this week.

Heading the Nebraska delegates was Mrs. A. W. Koester of Alliance, president of the state congress, who was included among the speakers on Tuesday and Wednesday at workshops on, "Strengthening Parent and Family Life Programs."

Also participating in workshops discussions were Mrs. George Lindsay, president of the Omaha Council of Parents and Teachers, and Mrs. A. W. Sorenson of Fremont, state PTA corresponding secretary.

The wedding is planned for Saturday, June 15.

Miss Wagner is a graduate of

MISS VIRGINIA LEE WAGNER

Nebraska Wesleyan University where she is a member of Willard sorority, and of Cardinal Key, honorary. She now is a member of the Lincoln public schools faculty.

Mr. Sorenson is a former student at Nebraska Wesleyan where he is a member of Phi Kappa Tau fraternity. He now is attending Brooks School of Photography in Santa Barbara, Calif.

Madam Chairman

Tuesday Review Club, 10 o'clock coffee at the home of Mrs. T. C. O'Donnell.

Cornhusker Republican Women's Club, 9:30 o'clock breakfast at the First Federal Building.

Havelock YWCA Matronettes, 12:30 o'clock covered dish luncheon at the Havelock Center.

Chapter CS, PEO, 1 o'clock luncheon at the home of Mrs. H. W. Potter, 3019 Jackson.

Lincoln Druggists Wives, 1 o'clock dessert luncheon at the home of Mrs. R. E. Weirich, 2730 Sheridan.

LAFB Officers wives and husbands of 345th bomb squadron, 7 o'clock dinner-dance at the Officers Club.

NCA Wives Club and husbands, 7 o'clock buffet supper and dance at the NCO Club.

Bryan School, 7 o'clock to 9 o'clock open house.

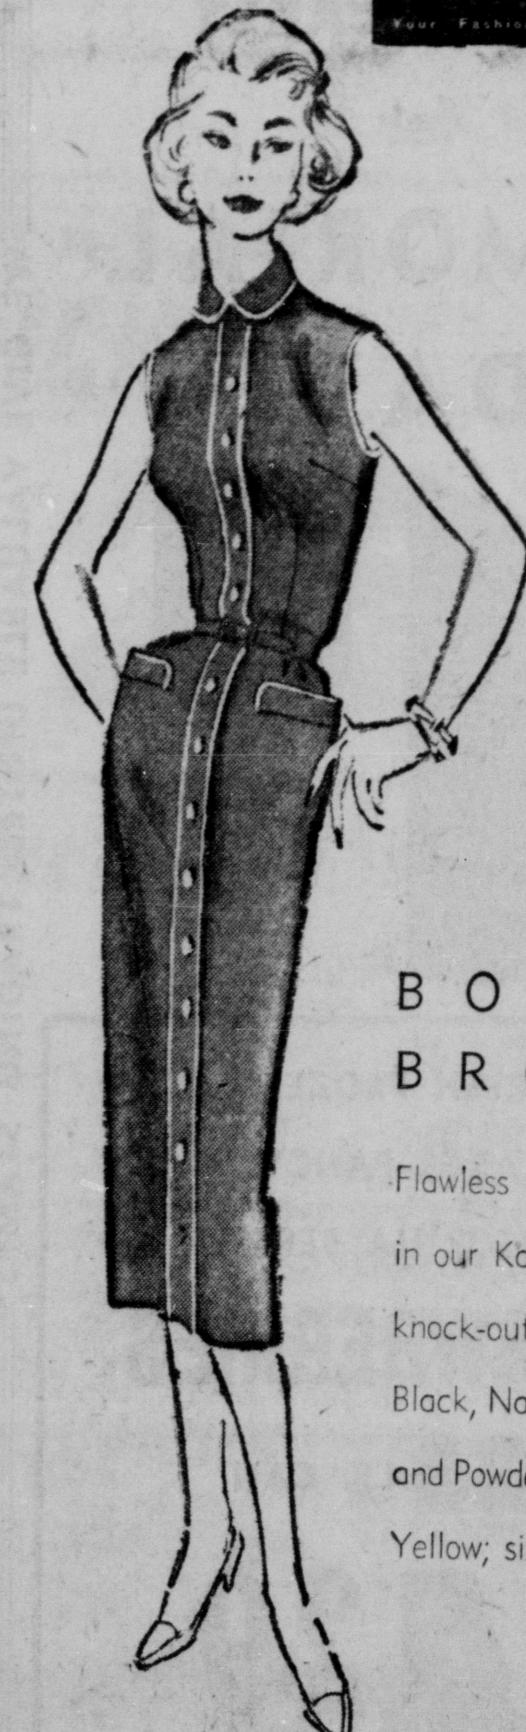

Elliott School, 6th grade recognition program, 7:30 o'clock.

Park PTA, 5 o'clock to 7:30 o'clock carnival.

V.P. Stands Behind President's Budget

NEW YORK (AP)—Vice President Nixon went down the line Thursday night for President Eisenhower's defense and foreign aid budgets.

"I believe that they are necessary for our survival and that substantial cuts in the amounts we have requested will jeopardize not only our safety, but our chance for victory in the world struggle," Nixon said in a speech for the annual meeting of the American Iron and Steel Institute.

Gas Firm To Boost Rates For 45 Towns ... Including Lincoln

Retail gas rate increases to 45 eastern Nebraska and eastern South Dakota customers of Central Electric and Gas Co. will be in order by Aug. 7, according to E. C. Deane, Central vice president in Lincoln.

Letters have been sent to the city councils of 43 of the towns, advising them of the coming increase, Deane said. The other two cities, Lincoln and Sioux Falls, S.D., will be notified a little later, he said.

The Central increase, the letter explains, is the result of a proposed \$6,467,000 increase which Northern Natural Gas Co. of Omaha will begin collecting on wholesale rates on Aug. 7.

The wholesale increase will go into effect under bond and subject to a refund if cut by the Federal Power Commission.

Central has filed a petition of intervention with the FPC in the Northern case and plans to participate actively in every possible proceeding, the letter said.

The letter also points out that Central is hopeful of an early determination by the FPC of the amount of refunds due on the last or fifth Northern increase. This refund to Central will be passed on to retail customers.

Meeting Honors 2 Eagle Scouts

Eagle Scout awards were presented to Larry Clawson and David Neal at a Boy Scout court of honor at the First Evangelical United Brethren Church.

A total of 21 merit badges were handed out to members of Scout Troop 31.

Other awards were:

First Class: Leland Hancock.

Second Class: Mike Northrop.

Tenderfoot: Paul Moore and Don House.

DR. MAEHL TO HEAD L'ALLIANCE FRANCAISE

Elected president of the Lincoln chapter of L'Alliance Francaise was Dr. William Maehl, Nebraska Wesleyan University associate professor of history. The group is a cultural organization which cultivates French-American relations.

Dr. Maehl joined the Wesleyan staff last year after serving as advisory officer with American forces in Europe.

All Fremonts Challenged To Aid Fremont, Mo.

Nebraska Town Launches Fund Raising Competition

FREMONT, Neb. (AP) — All the Fremonts in the world were challenged Thursday to a fund raising contest in behalf of tiny Fremont, Mo., battered by flash flood and tornado within a 12-day period.

As the story moved over the leased wires of the Associated Press telling that some residents of the tiny Ozark village are doubtful their town will ever be rebuilt, the Fremont (Neb.) Guide and

Tribune launched its money raising contest and invited all other towns and cities named Fremont to enter the contests on a per capita basis.

The first taker was Fremont, Ohio. When Lester A. Walker pub-

lisher of the Guide and Tribune, reached the Fremont, Ohio, News messenger by telephone he said Don F. Daubell, the News Messenger's business manager, broke before he could state his proposition, saying, "Don't tell me. I know what you are thinking about."

The two newspapermen agreed their communities would back them up in a mercy fund raising contest and each started off the drive with contributions of \$100 each. The Guide and Tribune then sent telegrams inviting competition on a per capita basis to the Fremont (Ind.) Eagle; the Fremont (Iowa) Gazette; the Fremont (Mich.)

Gazette; the Fremont (Neb.) Guide and

Times-Vindicator; and the Washington Township News Register of Fremont, Calif. Similar telegrams went to mayors of Fremonts in Wisconsin, North Carolina, New Hampshire, Utah, Virginia, Washington, Alabama, and to Fremont Center, N. Y.

Fremont, Ohio, has a population of about 22,728, according to figures compiled by Editor and Publisher and Fremont, Neb., has a population of 14,762.

Word of the contest hasn't reached Fremont, Mo., yet. Telephone lines are still down.

Mrs. Claude Huff, Holdrege, Is Dead; Longtime Educator

HOLDREGE, Neb. — Funeral services were held here Thursday for Mrs. Claude Huff, 64, who died in a local hospital. She served as county superintendent of schools for 16 years from 1938 to 1954, and taught school from 1922 to 1938.

Mrs. Huff was a member of the First Methodist Church and also belonged to the Rebekah Lodge, Business and Professional Women's Club and the Holdrege Garden Club.

Surviving are her husband; one son, Duane of Chicago; a brother and three sisters.

Centennial Ball

FALLS CITY, Neb. (AP) — The centennial ball at Prichard Auditorium Saturday night will be the first official function in the celebration of Falls City's 100th birthday. Many people plan to attend in costume.

'Friendly' Parking Fines Suit Planned

By Bill Dobler
Star Staff Writer

Lincoln School District officials have confirmed reports that a "friendly" court action will be brought against the city to determine the distribution of past overtime parking fines.

Board of Education plans were discussed with a meeting of the City Council and other city officials.

The city declined to enter into agreement with the Board that the suit should be brought.

The question of past fines came up when the State Supreme Court ruled that all parking fines must go to the schools.

To take care of the future, the City Council passed an ordinance, effective May 1, setting a five cents fine and 95 cents cost on a \$1 parking ticket. Previously, the city and School District had split all parking ticket income 50-50.

The question now is whether the District is entitled to all money collected as fines by the city prior to May 1.

\$267,000

The question, according to City Attorney Jack Pace, could involve

as much as \$267,000 at the maximum.

Both Superintendent of Schools Dr. Steven N. Watkins and Board Attorney Willis Hecht emphasized that the schools are not concerned about the money, but rather, about the question of law involved.

Board Member Mrs. Roscoe Hill stated that to maintain the confidence of the people, the board must take proper care of the children and the district's money. The money question involved here, she said, can only be settled by an appropriate group such as the court.

Another board member, Robert Ammon, said the public would never be satisfied if the question were settled merely by a "gentlemen's agreement."

Precede Ordinance Test

Both city and district officials agreed that it would be satisfactory, if not better to settle the question of past fine dispositions before testing the validity of the city's new ordinance.

City Co-ordinator James Mallon explained that the district is now receiving about 25 per cent of all parking ticket income. While getting only five cents out of the \$1 tickets, the schools receive all but

Lincoln Laymen Named Episcopal Council Members

OMAHA (AP) — Four ministers and four laymen were named Thursday to the standing committee of the council of the Episcopal Diocese of Nebraska at the annual meeting.

The ministers are the Rev. Clyde Whitney, Scottbluff; the Rev. Mark McCallum, Omaha; the Very Rev. Willis Steinberg, Hastings, and the Rev. William Cross, Lincoln.

Laymen named were Thomas Davies and Sterling Mutz, Lincoln; Andrew Mapes, Norfolk, and Gerald Collins, Omaha.

2 Sawed-Off Shotguns In Culvert Found

Two sawed-off shotguns found in a culvert near Waverly are being checked by the Lancaster County Sheriff's office in an attempt to determine their source.

Deputy Sheriff Robert Albert said both are single-shot .410-gauge shotguns with barrels crudely sawed off at 14½ and 13½ inches.

They were found by Marie Hammer of Greenwood while she was looking for trees to transplant, Anderson said. They were recovered about 4½ miles northeast of Waverly.

Anderson said law enforcement authorities are being notified of the serial numbers to learn if they are stolen or of their possible owner.

Local officers say they know no crimes during the past year in which sawed-off shotguns figured.

Anderson estimated the guns had not been in the culvert more than two weeks. Both arms were in fair condition considering the recent rains.

Kimball Youth, 19, Recovering After Car Leaves Cliff

SCOTTSBLUFF, Neb. (AP) — A 19-year-old Kimball youth is recovering in a hospital here after a brush with death in a one-car accident south of Gering on State Highway 29.

Gerald Gumbir, was driving north on Stage Hill in the Wildcat Hills when his car went off the road and traveled about 650 feet, much of it in the air. It sailed off a cliff, sheared off a tall tree, and wound up embedded in mud in a small stream.

The youth suffered a cut forehead, minor back injury and numerous bruises.

ORDINANCE NO. 6581
An ordinance creating Pavine District No. 1506, defining the lines thereof establishing the width of the roadway to be paved and the width of the grading to be done, providing for curbing, guttering, paving, and the like, and for the payment of the cost thereof, designating the property to be benefited, and repealing Ordinance No. 6515 and all ordinances or parts of ordinances in conflict herewith.

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 1. That the north-west alley in the North half of the North half of Block 24, Original Plat of the City of Lincoln, and a parcel of ground dedicated for alley purposes lying adjacent thereto, on the east side of the North half of the North half of Block 24, Original Plat, and providing for the filing of a certified copy of this ordinance in the office of the Register of Deeds of Lancaster County, Nebraska.

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 2. Immediately upon the taking effect of this ordinance the City Clerk shall file in the office of the Register of Deeds of Lancaster County, Nebraska, a certified copy of this ordinance.

Section 3. This ordinance shall take effect and be in force from and after its passage and publication according to law.

Introduced by Rees Wilkinson.

Passed: May 20, 1956.

Bennett S. Martin, Mayor

Road Delegations' Hearings Monday

Two road delegations are scheduled to appear before the State Highway Commission in Lincoln next Monday to ask for improvements on state highways.

Owen Boyles, secretary of the Commission, said one of the delegations will be from Callaway and will ask for improvements on Highway 40 in central Nebraska. The hearing is scheduled at 1:30 p.m.

The second delegation, scheduled to be heard at 2 p.m., will consist of representatives from Arada, Ord and Elgin, seeking improvements on Highway 80.

Stocks Ease On Average; Steels Rise

NEW YORK (P) — Selected issues made some good gains Thursday but the stock market on average eased again within the area of the new 1957 highs it established recently.

It was the third straight day that the market had settled back after setting its latest new high for the year.

Pivotal stocks took losses from fractions to around a point. The price trend was generally up but the market was comparatively slow. Toward the close, however, there was a flurry of improvement, apparently among steels and also a variety of stocks which had posted gains earlier.

Among secondary issues the gains gained strength to 3 or 4 points and these stocks were in lively demand.

Overall, it was the decline in leading rails which was chiefly responsible for the market's drop on average. The carriers were affected by a fall in carloadings and some lower prices.

Word that machine tool orders in April were the lowest in two years was depressing but automotive output was seconded by a rise in farm equipment.

Benjamin F. Fairless told the American Iron & Steel Institute that the steel industry will increase its capacity this year, perhaps by 10 percent.

Henry Ford II told his firm's annual meeting that Ford will set a new record for sales in the first half of '57.

Next came Deere & Co., up at 1242, and Sperry Rand off at 22%.

INVESTMENT FUNDS

NEW YORK (AP) — Volume totaled 2,110,000 shares compared with 2,060,000 Wednesday.

Deutsche Bank was substantially outnumbered by 50 to 351. New highs for 1957 contrasted to 41 compared with 57 yesterday and new lows totalled 10.

Getty Oil was the day's most active stock, up 2% at 33% on 61,500 shares. Second was Avco, up 4% at 70 on 45,200 shares, then up 1% at 42%.

Next came Deere & Co., up at 1242, and Sperry Rand off at 22%.

Markets At A Glance

NEW YORK (P)

Stocks — Lower; general decline.

Bonds — Lower; corporates lower.

Statewide Probation System Bill Is Advanced

By ROY CAMPBELL

Star Staff Writer

A bill setting up a statewide probation system received initial approval in the Legislature Thursday.

Approved and moved from general file on a 22-1 machine vote was LB 568, introduced by Sen.

Advanced from general file was David D. Tews of Norfolk. A previous motion to kill the bill, made by Sen. John Adams, of Omaha, was voted down, 20-3. The measure would establish a 10-district probation system, administered by the District Court Judges Assn.

Advanced from general file was

MRS. N. E. BERNSTIEN

Mrs. N. Bernstien Is Elected Regional Hadassah Head

Mrs. N. E. Bernstien of Lincoln has been elected president of the Mountain Plains Region of Hadassah, Women's Zionist Organization of America.

Mrs. Ben Polsky, also of Lincoln, was elected regional secretary at the regional conference in Cheyenne, Wyo.

Mrs. Bernstien is a past president of the Lincoln Chapter and a past regional vice president.

She will be honored at the regular local chapter meeting on May 28.

Two To Report On Hadassah Meeting

Mrs. L. Goldman, local chapter president of Hadassah, and Mrs. Jack Singer, both delegates to the recent regional conference of Hadassah at Cheyenne, Wyo., will report on the conference at the chapter's final meeting of the year, Tuesday, May 28.

The meeting will be 1 p.m. at Tifereth Israel Synagogue.

Mrs. N. E. Bernstien and Mrs. Ben Polsky, newly-installed regional president and secretary respectively, will be honored at the meeting.

Mrs. Sam Garson will report on bowing team winners and individual high scorers.

Labor Study Welcomed By Gordon Preble

Gordon Preble, president of the Nebraska AFL-CIO, said Thursday he would welcome any study or investigation of the labor movement in Nebraska.

The statement followed introduction of a resolution calling for a Legislative Council study of the secondary boycott in the state. The resolution, which comes up Friday for action, was introduced by Sen. Ray Simmons of Fremont.

Another resolution by Simmons called for support of a bill in Congress outlawing the secondary boycott.

Preble said his statement "likewise applies to the resolution" relative to the Teamster's Union in the state of Nebraska.

In a letter prepared for reading to the Legislature, Preble said he would like to request at this time that he be accorded the opportunity of appearing before the Council committee.

This would afford him a chance to present labor's side of the picture, Preble said.

Hearing Set For School District 92 Annexation Move

The Lancaster County Superintendent's hearing on the proposed annexation of School District 92 to the Waverly School District will be held next Wednesday, 9:30 a.m., at the Courthouse.

District 92, containing 5½ square miles, adjoins the northwestern edge of the Waverly District.

County Superintendent Glenn Turner said petitions for the annexation were signed by 23 of District 92's 34 voters and by the Waverly Board of Education.

District 92 has a current elementary enrollment of 11 pupils and a \$225,215 property valuation.

The Waverly District valuation is \$4,266,500.

SHERIDAN HISTORICAL SOCIETY IS FORMED

.LB-174, a school redistricting bill affecting Omaha, after an enacting clause was attached. A motion to kill the bill failed, 16-11, and it was advanced by voice vote.

The measure related particularly to Ralston High School and District 66 near Omaha. The major question was whether or not Omaha would assume the bonded indebtedness of the annexed district or vice versa.

In other action, the solons advanced LB 299, which revises municipal authority to obtain land

or easements, and sent from general file LB 198.

LB 198, a Judiciary Committee bill, changed statutes dealing with liens and judgments.

Governor Asks Disaster Aid

Gov. Victor Anderson Thursday wrote Secretary of Agriculture Benson asking that Wheeler, Garfield, Loup and Lincoln Counties be included in the federal disaster feed-grain program under Public Law 875.

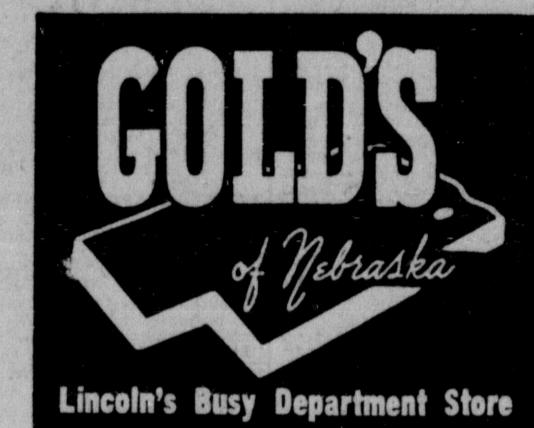

They were not originally included because they did not specifically qualify either for that program or for the soil bank grazing program, he said, but "they did suffer materially under the drought of the past two or three years."
